SYSTEM FOR ENCOURAGING DESIRED BEHAVIOUR

Positive Consequences

At Cowes Primary School, communication of our key messages about behaviour is backed up through reinforcement, which provides students with feedback for engaging in expected school behaviour. A formal recognition and monitoring system has been developed (see Gotcha's Reward System). This reinforcement system is designed to increase the quantity and quality of positive interactions between students and staff.

We aim to set high expectations for positive behaviour and publicly recognise students who strive to display the school values of **be Safe, be respectful, be Resilient and be a Learner.**

SCHOOL VALUES

At Cowes Primary School, our shared values aim to prevent the development and the intensifying of problem behaviour and maximize academic success for all students.

Our school values are:

- Be Safe
- Be Respectable
- Be Resilient
- Be a Learner

The School Wide Positive Behaviour Support Model that we follow provides:

- A systematic approach for promotion wellbeing
- A continuum of behavioural supports
- Identifies and provides targeted support for individual students.
- Prevention orientated process that supports the needs and culture of the school
- A social skills program designed to improve social and emotional outcomes for students

"Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction, and skilful execution; it represents the wise choice of many alternatives."

Willa A. Foster

GOTCHA REWARD SYSTEM

The Gotcha rewards system celebrates our students' achievements instantly, and is the main focus of our SWPBS approach. Students who earn Gotchas receive instant recognition and feedback for displaying the school values of being Safe, Respectful, Resilient and a Learner.

Staff members will award Gotchas to students who are demonstrating the desired behaviour that support our schools values.

Students collect their Gotchas and will have opportunities throughout the term to redeem them for prizes or experiences.
